

Appendix E

Index of Administrative Record Administrative Order, Docket No. CERCLA-08-2015-0011, Concerning Remedial Action at the Community Soils Operable Unit, Anaconda Smelter NPL Site

September 24, 2015

Atlantic Richfield 1981. The Anaconda Company Merger with Atlantic Richfield Company, certificate of merger and other documents, December 1981.

EPA 1988. Title Search/PRP Report for the Anaconda Smelter Hill and Mill View Properties, Anaconda, Montana, prepared for U.S. EPA Region VIII, by Jacobs Engineering Group, Inc., Environmental Systems Division, February 1988.

Draft Title Search/PRP Report for a portion of the former Old Works Area one of the Anaconda Smelter and Benny Goodman Park, Anaconda, Montana, U.S. EPA Region VIII, by Jacobs Engineering Group, Inc., Environmental Systems Division, August 1988.

Response to CERCLA Section 104(e) Request for Information regarding the Carpenter Snow Creek Site (SSID #08-9X) in Cascade County, Montana, April 23, 2010.

AGC. 1996a. Community Soils Operable Unit Remedial Investigation/Feasibility Study, prepared for ARCO by Advanced GeoServices Corporation.

AGC. 1996b. Community Soils Operable Unit Soil Characterization Report, prepared for ARCO by Advanced GeoServices Corporation and included as Appendix A of the Community Soils Operable Unit Remedial Investigation/Feasibility Study.

ARCO. 1987. Atlantic Richfield Company. Mill Creek Remedial Investigation/Feasibility Study Final Remedial Investigation Report, Mill Creek, Montana, Anaconda Smelter Superfund Site, First Operable Unit, prepared for EPA by Anaconda Minerals Company. September.

ARCO. 1994. Atlantic Richfield Company. Final Draft Anaconda Smelter NPL Site Community Soils Operable Unit Remedial Investigation/Feasibility Study Work Plan. September.

ASTM, 2006. American Society for Testing and Materials (ASTM) D7144-05a: Standard Practice for Collection of Surface Dust by Micro-vacuum Sampling for Subsequent Metals Determination.

ATSDR 2007. Health Consultation, Evaluation of Residential Soils Arsenic Action Level, Anaconda Smelter NPL Site, Anaconda Deer Lodge County, Montana. prepared by U.S. Department of Health and Human Services. Public Health Service, Agency for

Toxic Substances and Disease Registry, Division of Health Assessment and Consultation, Atlanta GA 30333. October 19, 2007.

Atlantic Richfield Company, 2014a. Technical Memorandum #1 – Basis for Excluding Living Space Dust and Addressing Only Accessible Attic Dust Through Analysis of the Existing Data. August 2014.

Atlantic Richfield Company, 2014b. Technical Memorandum #2 – Modifying the Sample Depth Intervals Used to Make Remedial Decisions for Arsenic and Lead in Yard Soils. August 2014.

Atlantic Richfield Company 2005. Final Historic Railroad Beds and Commercial/Industrial Areas Remedial Action Work Plan/Final Design Report. Prepared for Atlantic Richfield by Pioneer Technical Services, Inc.

Atlantic Richfield Company, 2004. Anaconda Smelter NPL Site, Community Soils Operable Unit, Final Residential Soils Sampling Data Summary Report (DSR).

Atlantic Richfield Company, 2002a. Anaconda Smelter NPL Site, Community Soils Operable Unit, Final Residential Soils Remedial Action Work Plan/Final Design Report (RAWP/FDR). July 2002.

Atlantic Richfield Company, 2002b. Anaconda Smelter NPL Site, Community Soils Operable Unit, Final Residential Soils Sampling and Analysis Plan (SAP). July 19, 2002.

Atlantic Richfield Company 1996. Remedial Investigation/Feasibility Study for the Community Soils Operable Unit of the Anaconda Smelter NPL Site, Anaconda, Montana, prepared for Atlantic Richfield Company by Advanced Geoservices Corporation.

Bomschein, R., University of Cincinnati. 1992. Anaconda Childhood Arsenic Exposure Study prepared for the Deer Lodge County Board of Health by the University of Cincinnati. April.

Bomschein, R., University of Cincinnati. 1994. The Anaconda Study: An Assessment of Residential Arsenic Exposures Among Children Living in the Vicinity of a Former Copper Smelter, Update II. September 27.

CDM Smith 2012. Focused Feasibility Study; Lead in Residential Soils and Lead and Arsenic in Residential Dust; Community Soils Operable Unit, Anaconda Smelter NPL Site. Prepared for EPA by CDM Smith.

CDM Federal. 1996a. CDM Federal Programs Corporation. Final Baseline Human Health Risk Assessment, Anaconda Smelter NPL Site, prepared for EPA by CDM Federal Programs Corporation. January 24.

CDM Federal. 1996b. CDM Federal Programs Corporation. Anaconda Smelter Superfund Site Community Soils Operable Unit Proposed Plan, prepared for EPA by CDM Federal Programs Corporation. July 1996.

CH2MHill/Chen-Northem. 1989. Public Health and Environmental Assessment Data Summary Report, Rocker and Ramsey Areas, Silver Bow Creek CERCLA Site, prepared for DEQ by CH2MHill and Chen-Northem. April 28.

EPA 2013. Record of Decision Amendment, Community Soils Operable Unit, Anaconda Smelter National Priorities List Site, Anaconda, Montana. September 2013.

EPA 2011. Record of Decision Amendment for the Anaconda Regional Water, Waste & Soils Operable Unit, Anaconda, Montana.

EPA, 2009. Lead Dust Sampling Technician Field Guide, EPA-W-04-022.

EPA, 2004. Community Soils Operable Unit, Residential Soil Remedial Action Proposed Remedy Modification.

EPA, 2003a. U.S. Environmental Protection Agency, Lead Sites Workgroup. Superfund Lead-Contaminated Residential Sites Handbook. OSWER 9285.7-50. August 2003.

EPA, 2003b. Assessing Intermittent or Variable Exposures at Lead Sites. OSWER 9285.7-76, November 2003.

EPA, 1998. Anaconda Smelter NPL Site, Anaconda Regional Water, Waste and Soils Record of Decision. September 1998.

EPA, 1996. Record of Decision, Community Soils Operable Unit, Anaconda Smelter NPL Site, Anaconda, Montana. September 1996.

EPA. 1988. U.S. Environmental Protection Agency. Guidance for Conducting Remedial Investigations and Feasibility Studies Under CERCLA. Interim Final. Office of Emergency and Remedial Response. EPA/540/G-89/004. OSWER Directive 9355.3.01. October.

EPA. 1989. U.S. Environmental Protection Agency. Guidance on Preparing Superfund Decision Documents: The Proposed Plan, the Record of Decision, Explanation of Differences, the Record of Decision Amendment. Interim Final. EPA/540/G-89/007. July.

EPA. 1994a. U.S. Environmental Protection Agency. Old Works/East Anaconda Development Area Operable Unit, Anaconda Smelter NPL Site Record of Decision. March 8.

EPA. 1994b. U.S. Environmental Protection Agency. Role of the Baseline Risk Assessment in Superfund Remedy Selection Decisions. Office of Solid Waste and Emergency Response. OSWER Direction #9355.0-30.

EPA. 1994c. U.S. Environmental Protection Agency. Guidance Manual for the Integrated Uptake Biokinetic Model for Food in Children. Office of Solid Waste and Emergency Response. EPA/540/R-93/081. Publication 9285.7-15-1.

EPA. 1994d. U.S. Environmental Protection Agency. Revised Interim Soil Lead Guidance for CERCLA Sites and RCRA Corrective Action Facilities. OSWER Directive #9355.4-12. July.

EPA. 1995. U.S. Environmental Protection Agency. Review of the Battelle Columbus Report: Determination of the Bioavailability of Soluble Arsenic and Arsenic in Soil and Dust Impacted by Smelter Activities Following Oral Administration in Cynomolgus Monkeys. Amended Final Report. March.

Residential Soils/Dust RAWP/FDR EPA/DEQ, 2013.

MSU/RRU, 2003. Review of Remedial Action Summary Table for 205 Residences in Anaconda, Montana, Sampled Through October 2003.

McVehil-Monnet Associates, Inc. 1990. Annual Aerometric Monitoring Report for the Anaconda Smelter Remedial Investigation/Feasibility Study Air Resources Program, August 1989 through June 1990, prepared for PTI Environmental Services and ARCO by McVehil-Monnett Associates, Inc. September.

McVehil-Monnet Associates, Inc. 1991. Annual Aerometric Monitoring Report for the Anaconda Smelter Remedial Investigation/Feasibility Study Air Resources Program, July 1990 through June 1991, prepared for PTI Environmental Services and ARCO by McVehil-Monnett Associates, Inc. September.

McVehil-Monnet Associates, Inc. 1992. Annual Aerometric Monitoring Report for the Anaconda Smelter Remedial Investigation/Feasibility Study Air Resources Program, July 1991 through June 1992, prepared for PTI Environmental Services and ARCO by McVehil-Monnett Associates, Inc. September.

Peccia & Associates. 1992. Anaconda Deer Lodge County Comprehensive Master Plan, prepared for the Anaconda-Deer Lodge County Planning Board by Peccia & Associates and Lisa Bay Consulting. December 1990. Revised June 1992.
